MEMORANDUM FOR

SECRETARY OF STATE

In line with our conversation this morning, I want to be sure that we do not get out too far ahead in our OAS efforts with respect to Cuba and thus get this initiative crosswired with our efforts to get the Soviet troops out of Cuba. Before we move any further with respect to our initiatives with Mexico, Brazil and Chile, I think we should review the situation.

MEMORANDUM FOR

SECRETARY OF STATE

In line with our conversation this morning, I want to be sure that we do not get out too far ahead in our OAS efforts with respect to Cuba and thus get this initiative crosswise with our efforts to get the Soviet troops out of Cuba. Before we move any further with respect to our initiatives with Mexico, Brazil and Chile, I think we should review the situation.

Signed,

John F. Kennedy
